PERMIT CONDITIONS FOR THE NATIONAL/ INTERNATIONAL IMPORT, EXPORT OR RE-EXPORT OF CITES AND NON-CITES SPECIES AND ANY PRODUCTS THEREOF; NON-CITES LIVE WILD ANIMALS, LIVE EXOTIC ANIMALS, HUNTING TROPHIES, WILD ANIMAL PRODUCTS, PROTECTED PLANTS AND LIVE FISH

These conditions will be applicable to all National/ International Imports, Exports and Re-Exports of CITES and Non-CITES species and any products thereof; live wild animals, live exotic animals, hunting trophies, wild animal products, protected plants and live fish by air, mail, rail and road into or from South Africa.

Import permits are not valid unless the imported consignment is accompanied by a valid (*original*) export permit from the country/ province of origin (*if required*), which must be handed to the authorized Environmental Management Inspector on inspection.

THE FOLLOWING CONDITIONS ARE APPLICABLE TO:

(A) ALL NATIONAL/ INTERNATIONAL IMPORTS, EXPORTS AND RE-EXPORTS OF CITES AND NON-CITES SPECIES AND ANY PRODUCTS THEREOF; LIVE WILD ANIMALS, LIVE EXOTIC ANIMALS, HUNTING TROPHIES, WILD ANIMAL PRODUCTS, PROTECTED PLANTS AND LIVE FISH (INCLUDING AIR, MAIL, RAIL, ROAD)

THIS PERMIT:

1. a) Shall not be transferable;
b) Shall be invalid until the signature of the holder/ Recipient thereof been appended thereto;
c) This permit is not valid unless it has been endorsed and released by an authorized Environmental Management Inspector/ official prior to the import, export or re-export taking place. In cases of importation of live animals, which are to be quarantined at OR Tambo International Airport's Quarantine Station, the permit must be released prior to the animals leaving quarantine. Original import permits to be inserted into a sealed envelope and placed in the Environmental Management Inspector box that's provided at the quarantine station, no more than 14 working days after import;
d) Shall be subject to the provisions of any other law and or regulation;
e) Shall be valid for one consignment only;
f) This permit is subject to the compliance of Veterinary and Agricultural requirements; and to the compliance of IATA Live Animal Regulations.
2. The permit holder or his delegated agent must contact the authorized Environmental Management Inspectors (EMIs)/Officials within the Border Management Authority (BMA) via email and/telephone 48 working hours prior to the import, export or re-export to book an inspection. The intended inspection must not be booked while the consignment is in transit.
The following information is required:
 - a) Name / Company Name of Importer / Exporter;
 - b) Name of Airline and Warehouse where intended inspection will take place;
 - c) Date and Time of Import / Export / Re-Export;
 - d) Date and Time of intended inspection (subject to approval);
 - e) Agents particulars (if applicable), Carrier Name, Flight Number, Flight Time and Waybill Number;
 - f) The applicable permit number/s and relevant expiry dates; and
 - g) Detailed packing list as per condition 7.
3. Inspections are by appointment only and early booking is necessary. An authorized Environmental Management Inspector/ official may be contacted on the following contact details during office hours (07:00 – 15:30):
Email: CITES@bma.gov.za
Office: 01 [REDACTED] 747
4. All relevant original permit/s (CITES permits must include original and coloured copy), packing list/s, Waybill/s and Bill of entry/s (SAD/ DA 550) must be presented for inspection. A photo copy of all these documents must also be handed to the Environmental Management Inspector/ official on inspection. The original permit/s, these conditions and packing list/s must accompany the consignment/s.
5. All transport containers must be numbered and the numbers must coincide with the numbers on the packing list/s. The country/ province of destination as shown on the containers must coincide with the country/ province of destination as on the permit. The details on the packing list/s must coincide with the details on the permit/s and Waybill/s.

6. Detailed packing list/s, that are signed and dated must accompany the consignment/s, with the following information:

 - b) Waybill number/s and name of carrier, flight number, date and time;
 - c) Transport container number/s;
 - d) Scientific name of species (in full) with relevant transponder / tag / ring numbers; a detailed description of specimen / product and the origin thereof;
 - e) Common name of species (in full);
 - f) Number per species per container (actual number exported / imported); and
 - g) Applicable permit number/s.
7. If this permit is not used, the original permit (CITES permits must include coloured copy) must be returned to the issuing authority within 14 working days after expiry thereof. Import permits must be returned to the issuing authority within 14 working days after use. Export permits must be handed to a Management Authority of the importing country/ province within 14 working days after use.
8. The permit holder must make and retain photo copies of permit/s for audit inspections. Copies of import permits must be made and retained after endorsement, for Re-export permit applications. When applying for a Re-export permit, a copy of the endorsed import permit must be submitted to the Permit office with the application.
9. Only A person authorized thereto by the Premier or Minister may make any alteration on the permit.
10. Failure to comply with any of the permit conditions renders the permit invalid and may result in criminal proceedings, cancellation of the permit/s and seizure of the consignment/s.
11. The holder of the permit and / or his/ her delegated agent will be held responsible for any legal costs; costs incurred for delays and / or storage fees due to irregularities and / or due to the consignment being withheld due to incorrect documentation, and / or incorrect consignment/s and / or failure to comply with permit conditions.
12. Permit holders or their delegated agents must inform the Environmental Management Inspector/ official if an inspection is cancelled, or if they are to be late for an inspection within a reasonable time before the inspection is due to take place.
